

# Somerville Sexual Assault Informational Workshop

On July 30 at 3pm in the SCAT office, the Boston Area Rape Crisis Center (BARCC) will be presenting a sexual assault information workshop. This is a one-hour presentation and a great opportunity to become more informed. This is a special event because a Tisch Scholar from Tufts University is working to create a special "public service announcement" from this event. The presenter will be filmed (workshop participants will NOT be filmed) so that SCAT, BARCC and the Somerville Commission for Women can utilize the presentation for future public outreach.
